MEMORANDUM

The Arizona Department of Veterans' Services (ADVS) is issuing this memorandum to all potential applicants for Veterans Donation Fund (VDF) grants for the 2023-2024 fiscal year.

ADVS is focused on ensuring that applications address social determinants of health (SDOH) for Arizona Veterans. Applications must pertain to at least ONE of the categories of SDOH which includes: basic needs, employment, family and social support, finances and benefits, higher education, housing and homelessness, legal, mental health and substance abuse, physical health and spirituality. ADVS encourages all VDF applicants to submit grant applications that address upstream prevention so that Veterans and their families do not escalate into crisis.

Applications that propose to provide direct services for Veterans will be prioritized over applications that provide indirect services to Veterans. Direct services are defined as services being provided for and at the benefit of the individual Veteran. For example, assistance with paying past due rent and/or utilities. Indirect services are not intended to provide services for the direct benefit of the individual Veteran. For instance, requesting funding to conduct a study to understand Veteran homelessness is an indirect service. The study itself does not affect a Veteran experiencing homelessness, but could provide insight into direct services that could be provided that would affect a homeless Veterans housing outcome.

AZDVS intends to award \$200,000 in VDF small grants and \$1,000,000 in VDF large grant awards for FY 2023-2024, for a total of \$1,200,000.

The department shall administer the fund. Monies in the fund are continuously appropriated. The monies in the fund are exempt from the provisions of section 35-190 relating to lapsing of appropriations. The department shall adopt rules or policies for grants of less than \$5,000 that encourage as much competition as practicable.

VDF monies, "may be used for the benefit of [Arizona Veterans]" under the Department's administration (A.R.S. § 41-608), subject to the Arizona competitive grant process (A.R.S. § 41-2701 *et seq.*). VDF Grant funding may "ONLY" be used for the direct benefit of Arizona Veterans.

Objective: Arizona Department of Veterans' Services intends to appropriate VDF monies through the grant process as laid out by the department. During each VDF grant year the agency will award VDF grant funding to eligible 501(c)(3), Government, and Tribal organizations, in support of Veteran service events, programs, and projects throughout the state of Arizona. Services, events, and projects must have a direct impact on or directly support Arizona Veterans. Furthermore, the VDF grant money supports the agency's objectives and mission set forth by the Director.

Policy: The Department seeks to engage the community and Veteran service organizations in the Department's efforts to inform Arizona's nearly 600,000 Veterans about Veterans' benefits and lawfully assist them in their claims for the benefits. VDF monies available during the given VDF grant year, (July 1st to June 30th, or until allocated VDF monies are expended), may be used for service events, veteran specific events, programs, and projects that the Department finds will directly benefit Arizona's Veterans, and which specifically support and are compatible with Department objectives determined by the Director. Applicants may only apply for one grant from the VDF per project/program/event per year. Applicants that have received multiple grant awards in one calendar year may not be considered for award based on the department and review committee's evaluation and determination.

Procedure: During the given VDF grant year, VDF-Grant Proposal applicants may propose, and the Department may grant, through the VDF Grant Process, appropriated VDF monies that are available for service events, programs, and projects that benefit Arizona's Veterans and which specifically support and are compatible with Department objectives determined by the Director. The Department will award VDF grants of less than 5,000.00, while promoting as much competition as practicable, while monies are available.

VDF Grants: Any grant of VDF monies for this VDF-RFGP will be awarded under Applicant's written VDF Grant Proposal, as and when such is accepted and awarded by the Department, which shall then become an enforceable VDF grant service contract by and between the State of Arizona and the Grantee. All VDF Grant Awards are subject to the availability of VDF money for the grant year.

VDF Grant Instructions

1. Arizona Department of Veterans' Services

- (1) ADVS' mission is to enrich and honor Arizona's veterans and their families through education, advocacy and service, subject to A.R.S. § 41-603(B). One of many ways ADVS looks to accomplish our mission is in cooperation and coordination between ADVS, the Veteran community, and veteran service organizations through the VDF Grant Process.

2. Funding Source for VDF Grants

- A. A.R.S. § 41-608 establishes the Veterans' Donations Fund (VDF) and charges the Arizona Department of Veterans' Services with its administration. The VDF is limited to donations for Veterans and proceeds from the sale of certain Arizona license plates that are received by the Department. The standard within § 41-608 is that VDF money may be used for the benefit of Arizona Veterans.
- B. Once received, all VDF monies become State funds and thus subject to applicable Arizona law. The grant of any VDF money by the Department is subject to the § 41-608 use standard and the Arizona competitive grant process under A.R.S. § 41-2701 *et seq.*
- C. The Department receives, reviews, and duly considers written proposals for VDF money grants from many applicants who propose various veteran service events, programs, and projects. VDF money is limited in amount and use and the Department is charged to provide Veteran services, among which is VDF administration. As such, the Department is necessarily selective in its procedure to determine how VDF money may be granted and used to benefit Arizona Veterans.

3. Money Available for VDF Grants

- A. The total VDF money available for VDF money grants will not exceed the amount appropriated under A.R.S. § 41-608. The State of Arizona, ADVS and the Director, individually and jointly, are not expressly and impliedly authorized and obligated to disburse, expend or obligate other funds or monies for any VDF grant and any VDF grant purpose and use.
- B. The Director, or his or her designee expressly designated in writing signed and dated by the Director, determines:
 - (1) The term of any VDF grant year or other period;
 - (2) The total amount of appropriated VDF money available for grant during the given VDF grant year or other period; and
 - (3) The amount, if any, of available VDF grant money to be awarded to each VDF proposal duly reviewed and considered during the given VDF grant year or other period.
- C. The State of Arizona, ADVS and the Director, individually and jointly, are not expressly and impliedly obligated to award the VDF grant money so made available for the given VDF grant year or other period. VDF grant monies available for a given VDF grant year or other period that are not awarded during that time are not obligated for award in subsequent VDF grant years or other periods.
- D. Proposed competitive VDF grants of \$5,000.00 or more will be separately issued and reviewed and considered by ADVS for award one time during the given VDF Grant Year. Proposed VDF grants for \$4,999.99 or less may be awarded at any time during the VDF Grant Year. A.R.S. § 41-2706(B)(9) provides that the Arizona competitive grant process under A.R.S. § 41-2701 *et seq.* does not apply to VDF grants of less than five thousand dollars if the Department adopts rules or policies governing these grants that encourage as much competition as practicable.

4. Eligibility for VDF Grants

- A. Grantee must be a 501(c) charitable organization, Tribal organization or government entity. Preferable to ADVS, Grantee has a primary mission of providing benefits to Arizona's Veterans or the Applicant has a program, project or event, which supports Arizona Veterans and is compatible with ADVS' objectives determined by the Director.
- B. Applicants must be in good standing with the Internal Revenue Service as well as ADVS.
- C. If the applicant has any unexpended or unreported funds, or past due deliverables from prior VDF grants they will be considered ineligible for VDF funding until resolved.
- D. Although the organization does not have to be an Arizona based organization to meet eligibility, the benefit of VDF funding must only go to Arizona Veterans.

5. Review Process

- A. At least three evaluators who are peers or other qualified individuals shall evaluate applications. The review committee is an internal committee made up of volunteers from within ADVS.
- B. The evaluators may require an applicant to revise its application to reflect information provided in a written presentation. Any person who has information contained in the application of competing applications shall not disclose that information.
- C. The evaluators may allow applicants to make written presentations regarding the scope of work, terms and conditions of the grant, budget and other relevant matters set forth in the request for grant applications. Applicants shall be accorded fair treatment with respect to any opportunity for oral or written presentations.

VDF Grant Instructions, Continued

 - F. At no time should an applicant discuss the program, project or event with any evaluators or other applicants until the review process has completed.
 - G. The evaluators shall make award recommendations to the ADVS Director, based on the evaluators' reviews of each application. The evaluators' recommendations may include the adjustment of the budgets of the applicants individually or collectively. Recommendations may also include specified reporting requirements or special payment releases, as set forth during the review process.
 - H. The evaluators shall maintain a written record of the assessment of each application, which shall include comments regarding compliance with each evaluation criteria or factor. The citation of a specific criteria or factor as the basis of each stated strength or weakness and a clear differentiation between comments based on facts presented in the application and comments based on professional judgment.

 - J. The Director may affirm, modify or reject the evaluators' recommendations in whole or in part.
 - K. Modification of the evaluators' recommendations may include the adjustment of the budget on any proposed award individually or on all awards by an amount or percentage. If the Director does not affirm the recommendations, they shall document in writing the specific justifications for the action taken. The specific justifications shall be made available for public inspection no later than thirty days after the action is taken. (A.R.S. § 41-2702)
 - L. The Grants Manager will oversee each grant committee meeting and all decisions provided directly to the Grants Manager for development, notification and distribution. The Grants Manager does have the authority to return applications or declare them ineligible for review. However, the Grants Manager does not have authority to decide or grant an award or denial to an application.
 - M. If the review committee or the Grants Manager returns an application for corrections, and no actions are taken for two weeks or one grant committee meeting cycle, then the application is not actionable and will not be considered for review. The organization may resubmit with the corrected application at a later date.
 - N. The Grants Manager or Review committee may communicate with an applicant for corrections or additional information in regards to the grant application. These recommendations are for administrative purposes only and should not be considered a guarantee for award. The Grants Manager will make all efforts to review each application for completeness and accuracy. However, it is the sole responsibility of the applicant to submit a completed and accurate grant application. Corrections or additional information provided does not mean any award will be given.
 - O. If there is a delay in the review committee, notice will be sent to the applicants and all attempts will be made to reschedule for that business week. If unable to do so, all applications will be reviewed at the next scheduled meeting.
 - P. Completed applications must be submitted at least 48 hours before the review meeting is originally scheduled, if the application is not received within 48 hours, the application will roll over to the next scheduled review meeting regardless of completeness.

 - C. Should the Grantee disagree in whole or in part with the Department's decision in this matter, Grantee may submit a written request for reconsideration to the Director. Such writing must be submitted to and received by the Director not later than the Department's close of business on the fourteenth business day after the date of notice, and must provide reasons which support the request for reconsideration. Any appeal to the director regarding the Veterans Donation Fund, must be initiated in writing to the vdv@azdvs.gov, with at least 48 hours prior to the fourteenth business day after the date of the notice.
 - D. The Director shall have not less than 14 business days to reply to Grantee's request for reconsideration. Such reply shall constitute the Director's final decision in the matter.
