### **SB 1797 fantasy sports betting; event wagering**

Makes numerous changes to statutes related to gaming including, after the conditions for enactment of this legislation are met, authorizing the Arizona State Lottery Commission to establish and operate a single "electronic keno game" and a single "mobile draw game" on a centralized computer system controlled by the lottery that allows a player to place wagers, view the outcome of a game and receive winnings over the internet, including on personal electronic devices. The bill further specifies that an electronic keno game may be operated only within an "authorized keno location," defined as a physical facility with a specified gaming license that is a fraternal organization, veterans' organization, racetrack enclosure, or wagering facility where pari-mutuel wagering is conducted.

#### **Adopted Senate Commerce Committee Amendment**

- Subjects, to provision by the Legislature, the authorization for the ADG to spend up to 10 percent of Fantasy Sports Contest Fund monies and Event Wagering Fund monies for regulation and enforcement.

- Deems an entity that appoints a designee to be a licensed event wagering operator not responsible for the designee's conduct.
- Allows the ADG to authorize event wagering on an other event, regardless of the event being a competition of relative skill.
- Specifies that an event wagering operator licensee that is an Indian tribe, entity fully owned by an Indian tribe, or its designee, is authorized to operate only mobile event wagering.
- Directs the ADG to adopt a process to ensure an equal opportunity for all qualified applicants to obtain a license, unless more than 10 applicants for each type of license are received for a particular license type.
- Requires ADG event wagering standards and procedures to include requirements, rather than contracting, for geolocation services.
- Requires an event wagering operator to exclusively use official league data for a tier two wager, rather than for live betting.
- Replaces the authorization for an event wagering platform to process, accept, offer or solicit wagers with that authorization for a management services provider.
- Deems the promoter of a national association for stock car auto racing national touring race as eligible for an event wagering operator license, rather than the promoter of a sanctioned national touring motorsports racing event.
- Replaces the exclusion of entry fees and other compensation, from an event wagering operator's adjusted gross event wagering receipts which is used to calculate the operation fee, with a deduction, subject to an annually decreasing cap, for free bets or promotional credits for the first five years as follows:
  - for the first and second year, up to 20 percent of the operator's gross wagering receipts;
  - for the third year, up to 15 percent of the operator's gross wagering receipts; and
  - for the fourth and fifth years, up to 10 percent of the operator's gross wagering receipts.
- Requires a fantasy sports contest operator and event wagering operator to withhold outstanding state agency obligations from winnings for which the operator is required to file a 1099-MISC or W-2G or substantially equivalent form, rather than from any winnings.
- Requires the ADG, rather than the respective state agency, to provide a fantasy sports contest operator with information relating to persons with outstanding state agency obligations.
- Requires a fantasy sports contest operator to: a) withhold a player's outstanding state-agency obligations at the time of filing the required tax forms; and b) remit the monies to the ADG, rather than the respective agency.
- Modifies the requirement for a fantasy sports contest operator applicant that is a business entity to submit the criminal record of any director, officer, key employee or individual who has a 10 percent or higher ownership to be on request.
- Conforms definitions of event wagering operator to the entities authorized to receive a license.
- Specifies that a sports governing body must be headquartered in the United States.
- Specifies that athletic events for fantasy sports contests include events involving motor vehicles.

## **House Bills**

### [HB 2128 state licensing; fee waivers](#)

- Requires that the occupational licensing fee be waived for any active duty military service member and the member’s spouse or for any honorably discharged veteran who has been discharged not more than two years before application, if the individual is applying for that specific license in this site for the first time.
- Appropriates \$250,000 from the state General Fund each fiscal year to the Arizona Department of Administration (ADOA) to reimburse an agency on a first-come, first-serve basis for fees that the agency waived; and
- Directs an agency to apply to ADOA for reimbursement of the waived fees.

#### [Fiscal Note](#)

Per the JLBC Fiscal Note, HB 2128 would reduce licensing revenue and General Fund revenue; however, due to a lack of distributional data on Arizona veterans' occupations, they are unable to estimate the magnitude of this impact.

### **[HB 2759 rulemaking; petitions; GRRC](#)**

Requires the Governor's Regulatory Review Council (GRRC) to review the practice, policy, rule, or requirement on receipt of a petition to review an existing agency practice, substantive policy statement, final rule, or regulatory licensing requirement that the petitioner alleges violates state law, is not authorized by statute, is unduly burdensome or is not demonstrated to be necessary to fulfill a public health, safety or welfare concern.

NOTE: Currently, GRRC is required to review the petition only if the practice, policy, rule or requirement applied to a profession for which the average wage in that profession in Arizona does not exceed 200 percent of the federal poverty guidelines for a family of four.
