House Bills

[HB 2128 state licensing; fee waivers](#)

- Requires that the occupational licensing fee be waived for any active duty military service member and the member’s spouse or for any honorably discharged veteran who has been discharged not more than two years before application, if the individual is applying for that specific license in this site for the first time.
- Appropriates \$250,000 from the state General Fund each fiscal year to the Arizona Department of Administration (ADOA) to reimburse an agency on a first-come, first-serve basis for fees that the agency waived; and
- Directs an agency to apply to ADOA for reimbursement of the waived fees.

[Fiscal Note](#)

Per the JLBC Fiscal Note, HB 2128 would reduce licensing revenue and General Fund revenue; however, due to a lack of distributional data on Arizona veterans' occupations, they are unable to estimate the magnitude of this impact.

SB 1373 health facilities; duty of care

Affirms that each health care institution under the licensure of the Department of Health Services and that provides congregant or residential care and the health care institutions’ respective employees, agents and assigns have a duty of care for the residents and requires health care institutions to provide both:

- Basic life support, including initiating immediate CPR before the arrival of emergency medical services to a resident who experiences symptoms or cardiac arrest or cessation of respiration and in accordance with the resident’s advance directives and do-not-resuscitate order. Staff who are certified in CPR must be available at all times.
- First Aid before the arrival of emergency medical services to a resident who experiences emergency illness or injury and to a noninjured resident who has fallen and is unable to reasonable recover independently and in accordance with the resident’s advance directives and do-not-resuscitate order. Staff who are certified in First Aid must be available at all times.
- Grants health care institutions and associated staff who render CPR as prescribed immunity from civil liability, if the CPR was provided in good faith and consistent with related certification standards.
- Specifies that the liability exclusion is not applicable to a person who acts with gross negligence.
- Makes conforming changes.

Adopted House Floor Amendment

- Modifies circumstances in which a health care institution must initiate and provide CPR and first aid to a resident.
- States that CPR and first aid must be in accordance with a resident’s advance directives, if known.
- Provides immunity to a person who in good faith renders first aid to a person who has fallen.
- Requires each health care institution to develop a training program for all staff regarding fall prevention and recovery.
