### **BURIAL BENEFITS**

Burial in the Veterans' Cemetery is open to all members of the Armed Forces, and with certain exceptions, veterans discharged from active duty under conditions other than dishonorable. Their spouses, un-remarried widow or widower, minor children, and

under certain conditions, unmarried adult dependent children are also eligible for burial. Eligible spouses may be buried even if they predecease the veteran. Also eligible for burial are members of the reserve components of the Armed Forces, National Guard, and Reserve Officer Training Corps who die while on active duty for training or performing service, or who have 20 years of service in reserve components of the Armed Forces creditable for retired pay.

Burial in the cemetery includes a gravesite, opening and closing of the gravesite, a concrete liner (casket burials only), government marker, and perpetual care at no cost. Spaces are assigned at the time of need and may not be reserved. SAVMC provides two gravesite options: in-ground casket burial and columbaria for cremated remains.

### **COMMITTAL SERVICES**

All services are held at the committal shelter rather than at the gravesite. This insures the family's safety and provided a fitting location for military honors, along with the ability of our staff to continue burial operations. The date and time of committal services are scheduled once eligibility has been determined.

### **BURIAL ARRANGEMENTS**

The next of kin or the family's funeral director of choice may make arrangements directly with CNVMC staff. Before burial can take place, cemetery staff must verify the veteran's eligibility. To do this, the cemetery staff must be provided a copy of the veteran's properly signed discharge papers, or the veteran's service, social security, and VA claim numbers. There is no charge for interment for veterans and a one-time nominal fee for eligible spouses and dependents.

### **HONOR GUARD AND CLERGY**

The engaging of clergy, buglers, and military honor guards is done by the family or their funeral director. The cemetery does not provide these services.

### **MARKERS AND INSCRIPTIONS**

Immediately after the interment, each gravesite is marked with a temporary grave marker. Within five days, the permanent marker is electronically ordered based on information provided by the family on the interment application. Delivery and installation of the marker is normally completed within sixty (60) days.

### **CEMETERY PROCEDURES**

The cemetery serves as a national shrine and therefore, its procedures have been designed to ensure that its beauty, dignity and reverent atmosphere are preserved. Please adhere to the following while on the cemetery grounds:

- Do not bring pets
- No picnicking
- Place all litter in refuse containers
- Place all flowers according to the floral policy

Please discuss specific questions with the cemetery staff or your funeral director.

## FLORAL POLICY
