

## ADVS – State Veterans’ Cemetery Floral Regulations

**The placement of floral items on graves, other than on the day of interment, is subject to the following conditions:**

- Fresh cut and artificial flowers are permitted at any time. Arrangement may not be more than 24 inches high.
- All flowers will be removed on the 1st and 3rd Monday of every month for ground maintenance operations, and when they become withered. If the Monday falls on a state holiday, they will be removed on the following work day.
- Temporary metal containers are available and are located in bins located throughout the cemetery. No more than two (2) vases per site are permitted on the grave year-round. We request that you limit your flowers to one temporary container so that there are enough containers available for all of our visitors.
- Artificial flowers will be removed and stored inside bins for a period of one week near the administration building.
- Small flags will be placed on graves by designated personnel one day before Memorial Day and removed one day thereafter. Flag standards will not be permitted at any time.
- Permanent plantings, potted plants, statues, pin wheels, vigil lights, and breakable objects of any nature, and similar commemorative items are not permitted on graves at any time.
- Holiday wreaths may be permitted from December 1st through January 5th.
- No grave blankets are allowed at any time.
- Floral items and other types of decorations attached to the headstone will not be permitted.
- Florists will not be permitted to deliver flowers to a grave without taking away all boxes, wrapping paper or other packaging material.
